

Training Calendar

This Training Calendar should help you properly plan for your specific training requirements. Find the full **Training Calendar** at the bottom.

General Project Skills Training:

This training can be specific to a particular product where in we empower participants with product development skills, basic business management skills, basic marketing skills and product packaging/ branding & labeling.

This can be through our set schedules as per the Training Calendar or by means of a **SPECIAL TRAINING** arrangement (if one wishes to be trained alone). Special Training attracts a higher fee.

Youth Innovation Platform:

This is a January Week long Annual Program for Holiday-makers, University Students & any out of school unemployed Youth. Read more [here](#).

Fenna Makolero (Skills Expo)

This one day workshop happens quarterly i.e. every last Saturday of: March, June, September & December). It is a forum for enhancing awareness about existing low cost investment opportunities. It is about showcasing Project Profiles.

High School Program:

This is intended to change High School Students mindsets and the wrong perception about blue collar jobs. The program runs between May and August. A school can invite us within that period.

Unemployed Youth Platform:

This is a week-long program running 3 times a year. It is scheduled for every last week of: January, April & August

Field Study Tours/ Visits:

It's a quarterly Program focusing on: Agriculture, Fish Farming, Apiculture, Successful Entrepreneurs etc. You should join us on our next study tour. It is all fun and educative.

Other Service Products:

Inviting Us: You can invite us to speak to your Staff, family Members or Group about personal and institutional development.

Mentoring: – whether mentoring, coaching or training, we have the right people to handle.

Inspirational Talks: – Really, you need to listen to an Inspirational Speaker like Maalik Fahd Kayondo, the man who has seen it all. The Founder of Telesat International, UN Global Accelerator Delegate 2014, #Unreasonable East Africa Fellow 2014 etc. Read more about him [here](#).

Note: Telesat International reserves the right to change the schedules without notice. Keep checking our website or office for updates.
